## CHAPTER \_\_\_\_\_

An act to add Section 1367.002 to the Health and Safety Code, and to add Section 10112.2 to the Insurance Code, relating to health care coverage.

## LEGISLATIVE COUNSEL'S DIGEST

AB 2345, De La Torre. Health care coverage: preventive services.

Existing law, the federal Patient Protection and Affordable Care Act (PPACA), enacts various health care coverage market reforms. With respect to plan years beginning on and after September 23, 2010, the act requires health insurance issuers to provide coverage, and not impose cost-sharing requirements, for certain preventive services.

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of that act a crime. Existing law also provides for the regulation of health insurers by the Department of Insurance.

This bill would require health care service plan contracts and health insurance policies issued, amended, renewed, or delivered on or after September 23, 2010, to comply with the provisions of PPACA regarding coverage of, and cost-sharing for, preventive services and any rules or regulations issued pursuant to those provisions to the extent required under federal law. Because a willful violation of this requirement by a health care service plan would be a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

*The people of the State of California do enact as follows:*

SECTION 1. Section 1367.002 is added to the Health and Safety Code, to read:

1367.002. To the extent required by federal law, a group or individual health care service plan contract issued, amended, renewed, or delivered on or after September 23, 2010, shall comply with Section 2713 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-13) and any rules or regulations issued under that section.

SEC. 2. Section 10112.2 is added to the Insurance Code, to read:

10112.2. To the extent required under federal law, a group or individual health insurance policy issued, amended, renewed, or delivered on or after September 23, 2010, shall comply with Section 2713 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-13) and any rules or regulations issued under that section.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
